SimplyBridal.com was established in 2011 with the idea of providing brides with the means to organize an affordable wedding. With an attire catalog of over 500 [bridal gowns](#), and 250+ [bridesmaids dresses](#), and 150+ [veils and headpieces and bridal jewelry](#), SimplyBridal is the one stop shop for the bridal party. They've also have over 1500 [invitations and gift](#) items on the website.

SimplyBrial offers [Quick Ship](#) dresses, providing last minute brides and bridesmaids with great dress and gown options to make the day special. Paving the way in the bridal shopping experience, SimplyBridal has launched the [Try at Home](#) program. Pick up to two gowns to try on in the comfort of your home, keep it for up to 7 days to get the opinion of your family and friends, afterwards send it back in a prepaid box.
